Our *Services*

Real Estate Development and Management

Our experienced team, alongside our strategic partners, brings decades of expertise in real estate development and management, ensuring exceptional project outcomes.

Financial Markets Services

Our global team of financial professionals provides expert guidance for all aspects of real estate development and beyond, ensuring informed decision-making and successful outcomes.

Consulting Services and Analysis

We offer comprehensive consulting services and analysis to government departments, developers, investors, and corporate owners, providing expert advice on all aspects of real estate development.

Valuation and Consultation

Our valuation and consultation services cater to a diverse clientele, from fund managers to corporate entities, providing comprehensive appraisal and advisory solutions for real estate development.

Why invest *with BNW*

Proven Track Record
Years of reliability and trust, building lasting relationships with investors.

Freehold Ownership
Smooth transactions with full ownership rights, providing complete control over your investment.

Capital Appreciation
Properties in prime locations that ensure substantial appreciation, enhancing the value of your investment over time.

Strategic Locations
Our developments are strategically placed to offer convenient access and connectivity, maximizing rental and resale potential.

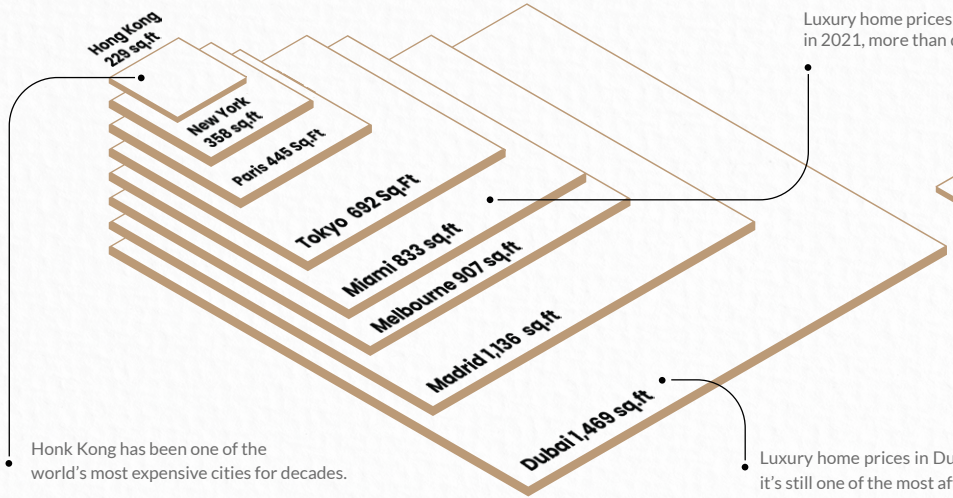
World-Class Amenities
Each property is equipped with state-of-the-art amenities, setting the standard for luxury and comfort in living spaces.

High ROI
Expertly managed projects designed to yield optimal returns, ensuring a profitable investment journey.

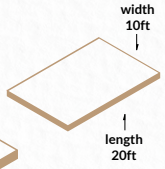
Regulatory Assurance
Fully compliant and registered under the Dubai Land Department, ensuring transparency and security in all dealings.

Luxury Finishes
Elegantly designed interiors with luxury finishing that appeal to sophisticated tastes and lifestyle.

How Much Real Estate Could You Buy for *$1 Million?*



Luxury home prices in Miami increased by 28.2% in 2021, more than double the Americas average.



= **200 sq.ft**

Square footage is calculated as the length (feet) multiplied by the width (in feet)

Honk Kong has been one of the world's most expensive cities for decades.

Luxury home prices in Dubai increased by 44% in 2021, though it's still one of the most affordable major cities

WHY DUBAI

Dubai's economy is rapidly growing and resilient, driven by diversification into tourism, finance, and technology. Known for its safety, it hosts the world's **busiest international airport** and serves as a **central hub for trade and travel.** Investors benefit from high real estate returns, **tax-free benefits,** and an investor-friendly climate, with Dubai **ranked 16th globally** for ease of doing business. The city boasts a dynamic demographic, with 58% of its population aged 25-44, and a **culturally diverse** community of over **200 nationalities,** supported by robust governmental infrastructure investments.

WHY RAK

Investing in Ras Al Khaimah presents a lucrative opportunity due to its robust economic fundamentals and strategic advantages. Ranked **4th globally** for job prospects, the emirate offers a stable environment for career advancement. Known for its year-round sunny weather and affordable entry for first-time investors, Ras Al Khaimah fosters a vibrant business community with **investor-friendly policies.** Its strategic geographic location and low-cost airport facilitate **seamless logistical operations.** Investors can capitalize on **high ROI in property investments** amidst a thriving **tourism sector.** Moreover, Ras Al Khaimah provides significant financial incentives like **tax benefits**, solidifying its appeal as an investor-friendly destination with **high visitor satisfaction.**

Our Leadership

The function of leadership is to produce more leaders, not more followers.

Ankur Aggarwal, a chartered accountant and the visionary founder of BNW Developments, has swiftly positioned the company as a leader in luxury real estate with its prestigious mixed-use projects in prime locations like Ras Al Khaimah and Dubai. With AUM exceeding 16 billion AED, these projects showcase Ankur's commitment to excellence and innovation. Each development merges cutting-edge design and quality with exceptional luxury, setting new industry benchmarks.

ANKUR AGGARWAL
CHAIRMAN & FOUNDER

Success is not final, failure is not fatal: It is the courage to continue that counts.

Vivek Anand Oberoi, Managing Director & Co-Founder at BNW, is celebrated for his multifaceted career in Indian cinema, entrepreneurship, and philanthropy. He has starred in 47 films spanning seven languages, earning an Emmy nomination for "Inside Edge." Recognized by Forbes as one of the Top 40 global philanthropists, Vivek integrates altruism into his business strategies. Through his family office, he oversees multiple companies, ensuring alignment with ethical and sustainable principles.
